## **Market Gardeners, Truckers and Florists**

We take great pleasure in sending you this Special Wholesale Price List in the hope that we may receive your order this year. It lists every variety of vegetable and flower seeds that Maule can supply and offers them at very attractive low prices—the lowest in many years. The quality is of the high standard for which Maule has been known for over half a century. For full descriptions, see Maule's Seed Book for 1938. A copy of this valuable Seed Book has been sent you; if you have not received it, kindly advise us, and another one will be mailed promptly.

### **Maule Pays the Postage or Express**

**Except Where Noted Otherwise**

All Flower Seeds, in any quantity, are sent prepaid. All Vegetable Seeds offered "Transportation Prepaid" will be delivered to you postpaid, or express paid, our option, **free of all transportation charges.**

On all Beans, Sweet Corn, Pop Corn, Peanuts, Peas and Sunflower seed, Asparagus roots, Garlic sets, Horse Radish sets, Mushroom Spawn, Onion sets, Potatoes and Rhubarb roots listed "Not Prepaid," the purchaser pays the transportation charges. If such goods are wanted prepaid, include sufficient to cover postage or express charges.

### **Sow Maule's Guaranteed Seeds**

Each lot of seed is thoroughly tested for active, abundant and vigorous life, so that only the most virile product is shipped. The exacting nature of these tests has won the confidence of thousands and thousands of gardeners who not only buy Maule's Seeds year after year but gladly recommend them to their friends. Many new customers are added to our list each year through recommendations of those who know just how good Maule's Seeds really are because they have planted them.

### **Send in Your Order Early**

Crops of some varieties of vegetable seeds are short this season. This is particularly true of Beans, especially Wax Pods, some Cabbages, Egg Plants, Peppers, Tomatoes and others. To avoid possible disappointment, we suggest that you order early. **No order is too large or too small to send to Maule.**

### **Credit and Terms of Payment**

Our terms are cash with order, unless you have an account with us or are satisfactorily rated by the commercial agencies. If you want your seeds sent by parcel post or express C. O. D., or freight, sight draft bill-of-lading attached,  $\frac{1}{4}$  of the value of the order must be sent us as deposit.

### **All Goods are Sold under Maule's Famous Four Leaf Clover Guarantee**

**We guarantee—All goods shipped by us to reach you in good condition.**

**To refill your order or refund—any time within a year—the full amount paid us for Seeds, Bulbs or Roots, if you are not satisfied with the results.**

**We send you only the highest quality goods and gladly stand back of them to the amount of the purchase price. But weather, soil and care also influence crops, so in no case shall we be responsible for any amount beyond the sum you actually pay us for the Seeds, Bulbs or Roots.**

### **Prompt Shipment**

**All seeds are sent almost immediately on receipt of order. Practically every order is shipped the same day it is received. Unless instructed otherwise, all Vegetable Roots, Potatoes, Flower Bulbs and other perishable stock ordered during the winter months will be held for shipment until we feel it is safe to forward.**
